ONLINE AND UPDATES

You can find the Northern National Restoration Group online at www.nnr.org.uk or on Facebook, Instagram and You Tube. These platforms will have all the latest news and updates on what the group are doing. Group members will also be added to the depot group chat for regular updates.

DONATIONS

Donations of items to add to our collection are very welcome, this can include tools, bus seats, win-dows, new or used body panels, aswell as photographs or artefacts relating to the motor trade, haul-age and bus / coach industries (e.g. old uniform items, badges etc.) But please get in touch with us first to make sure we can accept any items.

Please drop us an email on thennr.org@gmail.com if you have any donations.

WHY WE NEED YOUR SUPPORT

We have successfully operated 4710 and 4855 for many years on the rally scene. We have also purchased and are about to return to the rally scene 5217 & 3814 as well as 4898 and 4681 in the long term. The vehicles which we run and operate are complex and expensive to maintain and to operate. Furthermore, we are now achieving our long-term aim of preservation.

The group now also have a depot to operate and maintain. This work requires a constant source of income - a large part of which is generated by membership and donations - as well as the volunteers to assist with the work. Our members are entitled to free access to the depot most working days when work is on going at the depot.

By joining the Northern National restoration Group, you will be able to take advantage of the ben-efits available to all our members.

ABOUT US

Our group was founded in 2006 by a group of bus enthusiasts. Since then, the group has grown into what it is today, with five vehicles, over 10 working members and a large operating facility. Our shared interest is in preserving the transport heritage of the North East of England.

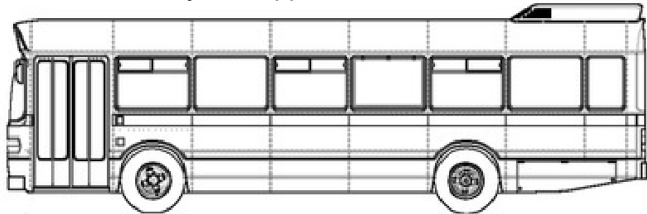

Our fleet have previously worked all over the region in the service of Go North East and its predecessors. We aim to exhibit a wide range of immaculately restored vehicles from the recent past while educating and demonstrating a wide range of skills and knowledge across the relevant areas.

The group also has a wide range of friends within the preservation community, some of whom share our facility. You can learn more about our vehicles and our friends by visiting the vehicles page on our website at nnr.org.co.uk. All the buses are maintained and either being, or have been, restored by members throughout the year.

During the rally season a variety of our vehicles are exhibited at rallies across the North East to help represent its transport heritage.

As always, the NNRG are keen to hear from people who would like to join us. We are based in a former National Coal Board facility in Philadelphia, Houghton-le-Spring, just off the A1(M) and A19. We are a registered charity (registration number 1193235), and we rely on the generosity of our members and visitors to help fund the restoration and maintenance of our vehicles.

If you believe you can help us fundraise, please visit our website for more information on how to do so. We look forward to your support.
